

YOUTH MENTORSHIP PROGRAM

Excelsior Springs Community Center will work in partnership with Excelsior Springs SAFE to provide one-on-one mentoring for youth of historically disenfranchised populations. This program will run for 12-15 weeks at a time, meeting once a week to work through the NPRA Youth Mentoring Framework. While participating in the mentorship program, students will be able to choose existing youth programs at the ESCC to participate in free of charge. This will provide them with opportunities to experience group mentorship environments along with building relationships with other youth within our community. All youth in the mentorship program will also have the opportunity gather together once a month for a group activity with other mentees and their mentors.

MENTORS: 18+ | MENTEES 8-17 YEARS

REGISTER WITH KYRIA HOOD BEFORE MAY 24TH

AT ESCC WELCOME DESK OR KYRIAHOOD@ES-PRCC.COM
