

Fortnite Friday Nite Rules

2v2

1. Whoever is the “top” team on the bracket forms a 4-player squad. They then send invites their opponents
2. Best of 2 games
3. Whichever team has the most eliminations will go onto the next round
4. Double elimination bracket. The losing team is sent to the loser’s bracket for a second chance at getting into the finals. If they lose a match there, they're out of the tournament for good
5. Both teams MUST record scores to administrator via Discord
6. Players CAN utilize the respawn van.
7. Tiebreaker will be determined by a redrop into the map. First team to 2 kills wins.

Sabotage

- Teaming is allowed. However, players cannot directly cause the death of their opponents.
- All rulings are final and will be made at the discretion of ESPR staff.

Examples of sabotage include but are not limited to:

- Breaking or weakening opponent's built or non-built structures or cover by any means.
- Causing opponents to miss shots or miss opportunities for advancing their scores in any way shape or form.
- Building in front of your opponent.
