RE: Request bid for a pickup

It is the intent of the City of Excelsior Springs to purchase one new, 2023, 1 ton (or larger) heavy duty, regular cab, 4-wheel drive, cab and chassis truck with 8' flat bed.

In the following pages are lists of minimum specifications for the complete unit. Any deviations, alterations or modifications of these specifications shall be noted on your return bid. Anything listed as standard equipment in manufacturer's literature or is essential to the proper and safe operation of this truck shall be considered as part of these specifications.

It is the purpose of these specifications to describe a truck to be used by the Parks Division as a snow plow/tow unit.

The unit bid shall be the manufacturer's current production model that meets or exceeds the following minimum specifications. Only standard production trucks can be bid on these specifications and a supplier will not be allowed to modify his standard production unit in order to meet these specifications. Each bidder will be allowed to bid multiple vehicles, those meeting specs that could be delivered within 120 days, and those exceeding specs, that could be delivered immediately. If a vehicle delivery cannot meet the 120 days, please specify an anticipated timeframe on the bid sheet.

The City reserves the right to reject any and all proposals, to waive any formality and to select the proposal which the City, in its sole discretion, considers to be in the best interest of the City.

The City further reserves the right, without limitation, to: a) amend, modify, or withdraw this Request for Proposals; b) require supplemental information from any responding provider; c) allow any responding provider to correct or amend insufficient responses; and/or d) cancel, in whole or in part, this Request for Proposals and negotiate with one or more providers if the City, in its sole discretion, deems it in the City's best interests to do so.

The City may exercise any of the foregoing at any time without notice to any person and without liability to any responding provider or any other person for its costs or expenses incurred in connection with this Request for Proposals or otherwise. Submittals and responses to this Request for Proposals will be prepared at the sole costs and expense of the responding providers.

This Request for Proposals does not commit the City to select a provider or to procure, contract for, or obtain any service or goods described in the Request for Proposals.  
The City reserves the right to refuse or reject any or all bids.

Returned bids shall include the following:

1. manufacturer's warranty, parts availability and service facilities,
2. manufacturer's literature pertaining to the machine

Any questions or comments about these specifications shall be directed to Chad Clevenger, Parks Superintendent at 816-630-1520.

Bids shall be returned to the City of Excelsior Springs, Parks & Recreation office no later than **10:00 a.m. on Wednesday, December 21, 2022** with orders to be placed within thirty days.

Sincerely,

Nate Williams  
Director of Parks, Recreation, and Community Center
